Rotary District 3141 | UNITE FOR GOOD

SKYCITY PULSE

Unity | Service | Action

LET'S INSPIRE!

From the Heart of the Charter President - "Skycity Pulse - Inaugural Edition

"Every once in a while, a spark lights a sky full of possibilities."

What began as a simple conversation among visionaries soon became a purpose-driven movement. That spark… is now Sky City.

With folded hands and a full heart, I thank every Charter Member who stood by this dream and gave it wings. To those who believed before results, gave without asking, and stood united—you are the soul of Sky City. A special bow to Rtn. Prafulbhai, whose mentorship and calm wisdom anchored us when it mattered most.

What We've Built

The past six months weren't just about meetings—they were about moments. Moments when service met emotion, and fellowship transformed into family.

Service Projects

Access Life – Uplifting lives with care.

Blood Donation & Health Check-up – Restoring dignity and health.

Mother's Day – Honouring strength with support.

Fellowship

From morning walks to breakfast laughter, we were reminded: fellowship is not an event—it's a feeling.

A Trophy, A Testament

We didn't chase awards, but impact. And when the District Trophy came our way, it reflected what unity and heart can achieve together.

Our Glorious OCV

DG Rtn. Chetan Desai's visit turned official protocol into heartfelt celebration. His words became medals worn on our hearts.

District Service Avenue Awards

Recognition across two avenues of service reflected our compassion, consistency, and commitment.

Vision 2025–26

We move forward with meaning and not just momentum.

Membership Engagement – So every Rotarian feels seen and valued

High-Impact Projects – Serving needs, creating legacy

Youth & Women Empowerment – At the heart of our mission

Purposeful Fundraising – Sustaining service

Digital Communication – Speaking the language of tomorrow

Our goal isn't to be the biggest—but the most meaningful. Let Sky City lead not just by doing, but by how we do it.

A Final Word…

This inaugural bulletin is more than an update—it holds our shared spirit. In these pages live the hands that served, the smiles that stayed, and the hearts that dared.

To every Rotarian—thank you for your presence, passion, and promise.

Let's keep discovering infinite possibilities.

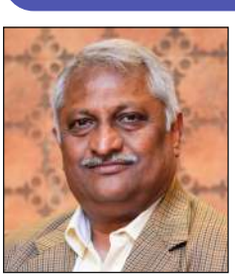
Let's remember: Rotary doesn't just change the world. It changes us.

"We are not just a club. We are a commitment."

With pride, humility, and Rotary warmth,

Rtn. Jiten Mehta, *Charter President*
Rotary Club of SkyCity Borivali

From the Secretary's Desk



What began as a flurry of WhatsApp messages, calls, and scattered ideas soon took shape as a vibrant club—driven by people determined to do more, together.

As Secretary, my role has been to bring structure to the momentum—aligning agendas, recording minutes, tracking participation, and ensuring Rotary norms are upheld—so that action thrives without losing direction.

The journey so far has been a learning curve, but also incredibly fulfilling. Behind every event and initiative lies quiet planning, coordination, and dedication.

> *"My aim is simple: to ensure every good idea is captured, every initiative documented, and every member stays informed and involved."*

We're not just serving communities—we're building a club that can stand the test of time.

Warmly,

Rtn. Sameer K. Chaudhary
Secretary

Managing Editor's Desk

It gives me immense pride and joy to present the inaugural issue of the official newsletter - **Skycity Pulse** - of our vibrant Rotary Club of SkyCity Borivali.

In just six months, we have built a foundation of service, fellowship, and impact that deserves to be celebrated and shared. Through Pulse, we aim to capture the spirit of all that we've achieved together. We warmly invite all members to contribute stories, updates, and reflections—because Pulse is not just a newsletter, it's your voice.

Ashish Potdar

Managing Editor.
